## Cultural Connections

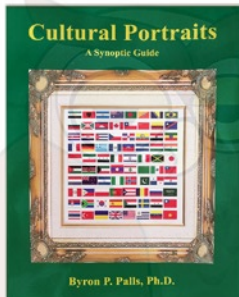

A fun digital game to explore the Spanish-speaking world.

Become a traveling avatar and get ready for an interactive game as you complete your passport and board your plane. Change your currency at the airport, call your spin taxi and you are ready to explore the wonders of your destination.

*Cultural Connections* is intended to provide a springboard for students to engage in meaningful risk-free discourse.

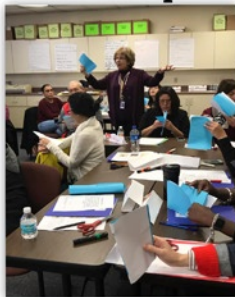

## Cultural Portraits

*Cultural Portraits* is a user-friendly resource for educators as well as non-educators. A wealth of information presented in each country's portrait prepares, colleagues, employees, students and parents to work together productively without prejudice or misunderstanding.

*Cultural Portraits* provides broad brush strokes of the signature of a country, known as its culture.
